

REMARKS

Previously, claims 1-20 were pending. After applicant has reviewed the office action from the examiner, the claims have been amended. In this office action, claims 1-18 remain the same, and claims 19 and 20 are withdrawn.

In response to this non-final office action, the applicant hereby elects the article, or invention, represented by claims 1-18, a "hub tool," to be examined. The applicant reserves the right to file a divisional application on the method claims, 19 and 20.

All of the claims now active in this application are believed to be in condition for examination. Favorable action by the examiner is respectfully requested.

Respectfully Submitted,
